From the President.

On behalf of the Wairarapa and Ruahine Aero Club, I invite you to participate in the Annual RAANZ fly-in to be held at the historic Hood Aerodrome in Masterton over the weekend of the 11th to 13th March 2011.

Pilots and passengers will have the opportunity of experiencing some good rural friendliness at its best, and to participate in a number of flying competitions and events that we have planned.

Hood Aerodrome is very active with regular air displays with World War 1 aircraft, to parachuting, gliding, flight training etc. A Café is also on site and a Museum.

Do take the opportunity of this weekend to meet up with some old mates and to meet new ones and to foster this great sport of ours - flying.

If you are looking for accommodation in Masterton – check out: <http://www.tourism.net.nz/> we will provide a free pick and delivery each morning and evening within the Masterton township for those who have pre-registered.

Dear Club Captains.

I would appreciate you bringing this RAANZ fly in information to the attention of your members.

This email has been forwarded by letter form to a number of clubs and organizations that I do not have addressess for and so apologise if there are any double ups.

Come back to me if there are any questions.
