**RAANZ National Fly-in 2014**  
**Feilding Airfield**  
**28<sup>th</sup> Feb–2<sup>nd</sup> March 2014**

The Recreational Aircraft Association of New Zealand along with the

- Manawatu Microlight Club
- Manawatu Districts Aero Club
- Middle Districts Sport Flying Club

Are hosting the 2014 RAANZ National Annual Fly-in at the Feilding Airfield.

Also Celebrating Manawatu Microlight Club's 30th Anniversary.

Feilding is a prosperous rural town centrally located in the heart of the Manawatu farming district.

The Airfield (Toanui Airfield) is 4 km to the SE of the town, surrounded by farmland and is the centre of recreational aviation in the area.

Bounded by the Rangitikei River to the north and the Manawatu River to the south, the Ruahine Ranges to the east and the Tasman Sea to the west.

It is hard to beat the Manawatu on a good day and it is arguably one of the best places for aviation in the country.

Our nearest city is Palmerston North only 19kms away to the SE.

For those not wishing to camp on the field, Feilding & Palmerston North offer a variety of accommodation.

The Feilding promotional website might be helpful to find accommodation
