RAANZ National Fly-In 2025

A great welcome awaits you at Ashburton, from Friday 7th November, 2025. In fact, if you feel inclined to come a day or two earlier, we will look after you.

As many are aware, the Ashburton Aviation Museum is the prime provider of facilities and food.

Ashburton Airfield

Our airfield is an **Uncontrolled Airfield**.

Good airmanship requires: A standard overhead join. All circuits left hand.

Maintain a good lookout. Remember your R/T calls are not enough. There will be NORDO traffic.

Please check NOTAM's before arrival and carry a VFG.

Accommodation

You are responsible for making your own bookings. If you wish to camp on field (not actually a camping ground!) we have a suitable area and or building. Showers and toilets available. Breakfast and all meals available on field.

Transport to Ashburton

Over the period of the Fly-In there will be a shuttle van available at suitable times either to take you into town or to bring you out again, a ***GOLD COIN*** donation please.
