Relevant background, affiliations, and intentions as a potential member of the Executive Committee
 I am a Committee Member of Auckland Recreational Flying Club (ARFC) and Safety Officer. My intention in RAANZ is to assist where work is needed - in the interest of the members. I have always had a passion to keep the management of our section of Sport Aviation in hands of amateur members. I obtained a PPL in 1977 and first flew a microlight in 1982. I became active on the Committee of the Microlight Association of South Africa and was president for 1985-1987. I have been in NZ since 1998. In 1999/2000 I was CEO of Airwork Ltd.
 I have BSC in Mechanical Engineering and an MBA.
